\_\_\_\_\_ Other (please list)

I have read the USDA rules for accepting Food Stamps at the Kootenai County Farmers' Market and agree to abide by them. I will accept tokens for qualified purchases only, not charge sales tax on the items, not give change in cash, and will treat Food Stamp clients with the same respect as my other customers. In addition I will offer helpful suggestions, recipes and tips to help educate the clients about using the products I am selling. I realize any violation of USDA rules will result in loss of my privileges to accept Food Stamps and if repeated may result in loss of my selling privileges at KCFM entirely.
