

2016 Kootenai County Farmers' Market Wednesday Ground Rules

1. Market hours are 4 pm to 7 pm; after Labor Day, 4 pm to 6:30 pm. No sales are to be made before the opening bell at 4 pm. All vendors must stay until the end of Market. Everything must be off the street by 7:45 pm.
2. A space is 10' by 10', with no vendor walk room between each space. Tables and displays must be kept within the assigned space. Arrangement of displays must not block access to other vendor's stalls. If you set up a canopy, you must attach weights.
3. To alleviate traffic problems, each vendor must unload as quickly as possible and move their vehicle from the Market site. All vehicles must be off the street by 3:45 pm.
4. All vendors must comply with the Market Policies and Regulations.
5. The Market Manager is on site from 2 pm to 7 pm each Market day. This person represents the Board of Directors during Market hours.
6. Children of vendors must stay within the vendor's space.
7. If a Season's Pass holder is not in their space by 3 pm, that space may be rented to another vendor.
8. "3 Strikes You're Out" – If you are signed up for a Market space and you do not showup, this will count as a strike (unless the Market Manager has been properly notified in advance.). If a vendor receives 3 strikes, they may not be allowed back in the Wednesday Market. This includes rainy days.
9. Any behavior deemed inappropriate may also earn a "strike".
10. Vendors using Market electricity, who repeatedly blow the circuit breakers, may lose their right to use Market electricity.
11. Appropriate behavior must be displayed by vendors at all times. Violators may lose their vending rights.
12. A maximum speed limit of 5 mph will be strictly enforced.
